Green Man Gaming partners with game publishers and GamesAid to launch brand new charity bundle

50 games bundle for £50 / \$50 / €50 - Save good, Play good, Do good

[UPDATE] Apologies for the additional mail.

In the press release sent earlier today we incorrectly stated that Batman: Arkham Knight was included in our 50 game bundle. The game actually included is Batman: Arkham Asylum.

21 August 2018, London, UK - [Green Man Gaming](#) is proud to announce the launch of its new GamesAid 50 Game bundle created in partnership with GamesAid and sponsored by 18 leading game publishers to raise money for the industry charity. From today, 100% of the proceeds from the sale of all 50 games in the GamesAid bundle will be donated to GamesAid thanks to the support from game publishers and customers.

Customers that buy the GamesAid 50 Game bundle will receive fifty PC games from hit indie titles such as Human Fall Flat and The Flame of the Flood to must-have big games including Metal Gear Solid V: Phantom Pain, Batman Arkham Knight and Mount and Blade. With so many top games in one big bundle, gamers will save over £500 (RRP) in a single purchase.

The game publishers sponsoring the GamesAid 50 game bundle include Konami, Fatshark, New World Interactive, Rebellion, Green Man Gaming Publishing, Headup Games, Tripwire, Warner Bros. Interactive Entertainment, TaleWorlds Entertainment, Team 17, 11 bit studios, Curve Digital, 505 Games, Bethesda Softworks, Codemasters, Paradox Interactive, Double Eleven and Aspyr.

“We’re very happy to be working together with our publisher partners to support GamesAid, a great charity that’s always been at the forefront of getting the gaming industry to get out and raise money for great causes. This new charity bundle is our

first collaboration with GamesAid with more to come in the near future so watch this space,” says Paul Sulyok, CEO and Founder of Green Man Gaming.

GamesAid is a UK based charity made up of games professionals who raise money to support a number of small UK charities, helping disabled and disadvantaged children and young people.

About Green Man Gaming

Green Man Gaming is a global technology company at the heart of the video games industry.

[Greenmangaming.com](#) is an eCommerce store and community platform offering millions of gamers a single destination for all things gaming. With customers in 195 countries, the store stocks a wide catalogue of multi-platform digital games at the best prices and provides the latest game data tracking, reviews and discussions on its [community](#).

[Green Man Gaming Publishing](#) works with independent development studios globally to market their own games and increase the visibility of games in a challenging marketplace. The industry expertise and knowledge of the publishing team provide developers with hands on and collaborative support that includes in-depth market analysis, integrated Marketing and PR campaigns, finishing finance options and global retail strategy.

Leveraging its patented technology, Green Man Gaming also partners with game publishers and leading hardware manufacturers to support their marketing initiatives. Announced at CES 2017, Green Man Gaming’s digital storefront is currently being made available on millions of Lenovo laptops worldwide through the Lenovo Entertainment Hub. Green Man Gaming has also partnered with Intel to build and manage their software distribution hub which offers digital games to hundreds of hardware partners as part of the Intel® Technology Provider Gold and Platinum Partners Program.

Green Man Gaming has been recognised by leading bodies in the video gaming, business and technology sectors with over 30 awards received since it was launched in 2010. The company was featured in London Stock Exchange Group's 1,000 Companies to Inspire 2017 list and ranked in The Sunday Times 2016 Tech Track 100 celebrating the UK's fastest growing companies. It was also one of 25 companies named as part of Tech City UK's first Future Fifty programme, recognising and supporting fast growth digital technology businesses in the UK.
